

## **Awards**

### **of Energy & Environment Physics Group**

- 1. Almarai Prize for Scientific Innovation in physics (2009) for the research paper titled: "Preparation of Crystalline Gold Nanoparticles and their Prospects in Enhancement of Solar Energy Conversion Efficiency".**
  
- 2. Almarai Prize for Scientific Innovation in Solar Energy (2013) for the research paper titled: "Double-layered Plasmonic Thin-Film Luminescent Solar Concentrators based on Polycarbonate supports".**
